

Tahoe Sierra IRWMP Drought Preparedness Project

Attachment 1: Groundwater Management Compliance

The Tahoe Sierra IRWM partnership proposal has the following groundwater users that will receive funding under the drought solicitation:

South Tahoe Public Utility District
Lynn Nolan, Grants Coordinator
530-543-6215
lnolan@stpud.dst.ca.us

Tahoe City Public Utility District
Sarah Hussong-Johnson, P.E.
530-580-6338
sjohnson@tcpud.org

North Tahoe Public Utility District (through the Regional Water Conservation Program only)
Suzi Gibbons, Contracts and Planning Coordinator
530-553-5433
sgibbons@ntpud.org

Lukins Brothers Water Company
Jenifer Lukins, Office Manager
530-541-2606
Jennifer@lukinswater.com

Squaw Valley Public Service District
Cindy Herbert, Office Manager
530-583-4692
cherbert@svpsd.org

The proposal does not contain a project that directly affects groundwater levels or quality and the justification for this conclusion is that all projects proposed may have a beneficial indirect affect on groundwater through water conservation efforts, but are not the result of a direct groundwater management efforts. Other proposals provide emergency water supply only.
